**NOTICE:**

## 50-METRE DELIMITED ZONE AROUND EXAMINATION HALLS

I write to remind all Examination Candidates of the regulation below which is in full effect during University of Ghana examinations.

“An examination candidate shall not bring to the Examination Centre or to the wash-room of the Examination Centre or to the immediate vicinity of the Examination Centre any book, paper, written information or cellular/mobile phones, tablets or any other material, device or instrument not expressly authorized for the purpose of the examination. Any such material shall not be deposited at the entrance to the Examination Room or in the washroom or within a 50-metre radius of the Examination Centre.”

*Regulations for Junior Members (September 2016; Chapter 10, Sect. 10.5)*

The University will not permit leaving of any material within the 50-metre radius and accepts no responsibility for any loss or damage of items left beyond it. It is therefore recommended that candidates leave foreign material and personal effects barred from the Examination Centres in the safety of their residences.

I urge students to thoroughly check their pockets, purses and environment, etc., for such foreign material, since infringement of the rules carry **very severe sanctions**.

*(Review the rules and regulations governing University examinations at <http://www.ug.edu.gh/sites/default/files/aad/Handbook-Regulations-2016-for-website.pdf>).*
